House Rules:

The following rules specific to bingo are IN ADDITION TO any VVFD house rules which may be posted in various locations around the VVFD bingo hall and/or facility. By being present in the bingo hall during bingo hours, you agree to these house rules/policies.

1. A good bingo MUST have the last number called in the pattern.
2. Monitors are there for your convenience. No number is valid until called by BOTH letter and number.
3. The serial number of all games claimed to be winners may be checked.
4. All those occupying a seat in the hall are considered players and must purchase the minimum admission and are required to have a valid admission ticket. It must be properly filled out and easily visible to the bingo committee staff.
5. It is the PLAYER'S responsibility to notify the caller of a bingo. Be sure to call "BINGO" loudly enough.
6. No bingo is allowed after the balls have been dropped.
7. Only those at least 18 years of age are permitted to play bingo.
8. Per state law, as much as we would like to do so, members of the Fire Department cannot play your cards for a short time as a convenience.
9. Please keep careful control of your personal belongings. The Department cannot be responsible for their loss.
10. We ask that cellular phones be turned off or on vibrate while bingo is in session. Use is permitted during intermissions.
11. Please be considerate of others and restrict your conversations during play.
12. The caller has the final word in all matters relating to the direct play of bingo games, the games administrator has the final say in all other matters.
13. Door prize numbers are pulled randomly from the admission ticket numbers sold up until 6:00PM. It is possible that if you arrive after that time, your admission ticket number was not considered.
14. The VVFD Bingo staff reserves the right to instruct players who are rude or disruptive to leave the premises, without refund.

Sunday Night Schedule

Doors Open	4:00PM
Sales Begin	4:00PM
Games Begin	6:00PM

If you have **ANY** comments or suggestions, please let us know by leaving a message at: 703-938-2678 (voicemail box 2) for the Bingo Chairman, or you may e-mail us at bingo@vvfd.org.

Sales and Refund Policy:

1. Please have your money ready while waiting in line, as this helps the line move faster. Exact change helps.
2. Please check your purchases and count your change **before** leaving the sales table.
3. We only accept checks if our ATM is not functioning. Checks are only cashed at the instants table and require a photo I.D. There is a minimum purchase of \$10 in instants.
4. \$20.00 service charge for returned checks (insufficient funds).
5. Refunds are made only for unmarked, unopened books. After the first game in a book has been played, that book will be rendered un-returnable, whether it has been marked or not. Refunds are made on a pro-rated basis for computers, should there be a malfunction and no other computers available for replacement. Once we have begun calling the first game, electronic bingo computers will be rendered un-returnable. With no computer receipt, a malfunctioning computer can only be exchanged for a 36-card computer, so **please keep your receipt!**
6. Games already played when books are purchased will be rendered unplayable. There is no price reduction for the removal of games already played from your purchases.
7. No one under the age of 18 may PURCHASE or OPEN instant tickets.
8. Instant bingo winners will be paid off on the night they are sold, unless the instant bingo administrator makes a specific exception (i.e., a hold-card-game doesn't sell out in one night).

Progressive Bingo Jackpots:

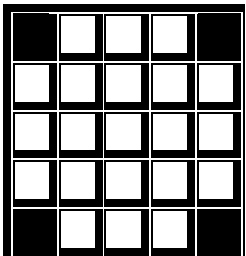

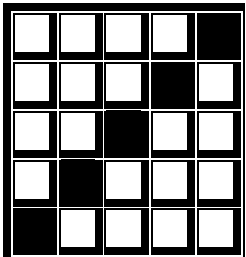

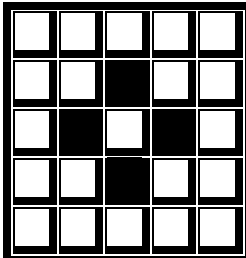

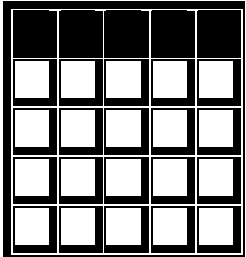

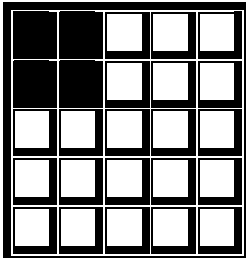

We will post the amount of the jackpot for each progressive game along with the number of calls that you must bingo within to win the jackpot. If no one wins the progressive jackpot within the specified number of calls, we will continue calling for a \$100 consolation prize. Every week, each of the progressive bingo jackpot prize amounts will increase by \$100. The number of calls needed, will increase by 1 number each week, until the progressive prize is won. Progressive jackpots begin at \$500 and cannot exceed \$5,000.

Updated 07/14/2026 – replaces all previous versions

House Rules for Fifty Percent Off and Extended Bingos:

House Rules:

The following rules specific to bingo are **IN ADDITION TO** any VVFD house rules which may be posted in various locations around the VVFD bingo hall and/or facility.

1. All arriving customers will be handed an order number in order of arrival, customers will receive their order numbers *in person* and are not allowed to collect numbers for other customers, with exceptions for causes like physical restrictions (for example a wheelchair-bound customer using the elevator) being made at the sole discretion of the Bingo Manager on Duty.
2. Customers are not permitted to purchase more than two (2) computers until all customers receiving numbers before the start of gameplay (at 6pm or later if necessary due to heavy attendance) have had the opportunity to purchase computers. The re-opening of computer sales will be announced by the Bingo Manager on Duty at a convenient point during the game.
3. In the event of rain or other inclement weather in the half hour prior to the opening of sales (4pm) an attempt will be made to accommodate customers already in line and provide them with admission numbers in the order of their arrival, if this is possible. This is at the sole discretion of the Bingo Manager on Duty and if no announcement is made, customers are not permitted to enter the Bingo Hall even if it is unlocked and entry is possible. If rain or other inclement weather occurs more than half an hour before the opening of sales (4pm) customers must wait in their cars or elsewhere.
4. Customers may either borrow scissors (which will be provided) or must bring their own scissors to cut Paper Lucky 7 receipt tapes, making multiple orders of Paper Lucky 7 tapes will not be permitted on extended and half off nights in order to allow us to serve more customers. After all customers have made their first purchase, customers may purchase additional Lucky 7s on paper and may request multiple separate tapes be printed.
5. Customers are limited to 25 total Lucky Sevens from the U-Pick Scantrons in their first order in order to allow for quick processing of all customers' orders.
